2021–2022 School Year**

Space is very limited.

The School District of Menomonee Falls Community Education and Recreation and Early Childhood Programs offer a 3-year-old preschool program. The program will be offered at Ben Franklin and Shady Lane Elementary Schools, and will follow the 4K school year calendar. There will be four options to choose from, listed on the left.

Staff will challenge students to reach their potential, while providing an environment that is balanced between recreation, socialization and education. We believe in an inclusive preschool model, where children are unique, creative individuals that have the ability to influence their own learning. Our program will allow the children to experience a play-based program. The goal is to develop the child's social and emotional language, and motor and play skills. Children will have time to play with peers, complete projects, have a snack, and learn how they can play an important role within a group.

- **Students must be 3 years old by September 1, 2021, and independent in the bathroom.**
- **Transportation is not available for this program.**
- **An Open House will be held in August.**
