Parent Involvement

We strongly encourage your input and involvement. Parent involvement greatly impacts the success of the program. Your suggestions and concerns are always welcome.

Visiting

We invite you to visit our sites anytime during operating hours. If you would like a tour, or to meet a staff person, please call the corresponding site. If you have a unique skill or talent you would like to share with the children, we encourage you to contact our site staff.

Communications to Families

We will make every effort to keep an open line of communication with families through the use of e-mail, the website, and information posted at the sites.

Communicating with Staff

Your ideas, suggestions, concerns and feedback help us to make continual improvements to our program. You can share your ideas and concerns by:

- Speaking with the staff working at your child's site.
- Contacting the Community Education & Recreation Department at (262) 255-8460.

Illness Identification Procedure & Sick Policy

Children with rashes, fever of 100 degrees or above, vomiting and/or diarrhea, deep cough or respiratory issues should NOT be sent to camp. The parent is responsible for keeping their child home if they have any of those symptoms. Children must stay home until the following happens:

- No sign of fever for 3 days (without use of any medication)
- Cough or breathing problems have subsided
- Vomiting and/or diarrhea has stopped for 2 days

If a child becomes ill during camp time, the parent or authorized person will be called to pick up the child. While waiting for a parent to arrive, the child will be taken to a separate area away from the main activity area with a staff person and made comfortable.

1. A basic first aid kit with supplies will be located at each site.
2. Staff will wash hands before and after working with ill child.
3. Gloves and mask will be worn by staff that is examining the child.
4. Staff will assess and document the child's symptoms in a separate area away from other children.
5. A non-touch forehead thermometer will be available in the first aid kit. The thermometer will be cleaned with an alcohol wipe after every use and returned to the first aid kit ready for the next time it is needed.

NOTE-The Menomonee Falls Community Education and Recreation Department reserves the right not to admit people who pose a communicable disease risk to others.

3 Year Old Preschool Policies

Absences

If your child will not be attending, please call your child's preschool site to notify them. If your child has a contagious disease, please notify us immediately so that we may determine whether our preschool families need to be notified of possible exposure. Children must be fever free, vomit free, and diarrhea free for 24 hours prior to their return to school.

Apparel

Children must be adequately dressed for outdoor play. Sandals, jelly shoes, and strapless crocks are not allowed for safety reasons. Boots, hats, gloves, snow pants and socks are required when snow is on the ground.

Bathroom

Children should be independent in the bathroom.

Cancelations Due to Weather

If the Menomonee Falls Public Schools are closed for the day, preschool will also be closed.

Change of Clothing

Please send a change of clothing in a Ziploc bag labeled with their name for your child to leave at school in-case of an accident. Please make sure to change this with the season.

Drop Off and Pick Up Policy

For the safety of your child, a parent or guardian is expected to accompany their child up to the building. Staff members will meet your child at the designated door.

Please be aware that your child will only be released to the people listed on their Annual Registration Form unless staff has been notified otherwise in writing. Staff may ask to see a photo identification of someone they do not recognize.

First Aid

Our staff is trained in CPR and First-Aid, and they will act accordingly in emergency situations. If first-aid is administered to your child during the course of the day, such as an ice pack or band aid, a staff member will notify you upon pick-up of your child. In the case of a more serious situation, you or the proper guardian will be contacted. **Please be sure that your child's emergency contact information is up to date at all times.**

Medications

We realize that some children have medications to take. As we are not a day care, it is department practice that staff cannot administer or hold any medications. Staff can remind children to take the medication. Please make staff aware of the medications that your child might have to take. If your child has a "bee sting" epi-pen kit, please let us know on the first day so it can be stored in an easily accessible location, and all staff can be informed. Parents must complete a Medical Authorization to Administer Medications form available in the CE & Rec office.

Snacks

A small morning snack is provided. Please remind the staff if your child has any food allergies.

Behavior Management Procedure

All 3 year old preschool students are encouraged to treat each other with respect and compassion. The program will emphasize each child's ability to actively participate in his/her own learning.

Preschool staff members will attempt to avoid discipline problems by:

- Making and setting clear and simple rules.
- Being consistent.
- Making students aware of the consequences of the broken rules.

Implementation of the Code of Conduct

The following procedures are to be followed when disciplining program participants.

1st & 2nd Occurrence

The child will be removed from the situation, the behavior will be identified, and its inappropriateness will be addressed. The child will be informed of the consequences if behavior continues, and a staff member will notify you upon pick-up of your child.

3rd Occurrence

Parents will be contacted to pick up their child immediately. A one day suspension will be implemented.

4th Occurrence

Parents will be contacted to pick up their child immediately. A one week suspension will be implemented.

5th Occurrence

Parents will be contacted to pick up their child immediately. The child will be removed from the program.

Certain behaviors will be punishable by skipping directly to steps 3, 4, or 5. In cases regarding disciplinary action, program refunds will not be given.
