

COVID-19 Employee Flowchart (08/2021)

Investigation into COVID-19 symptoms and/or exposure will be completed by the District COVID Response Team.

Employees are not to share any COVID-19 related information about themselves or others with students, families or other staff.

The District COVID Response Team will help to determine:

- Who (staff/students) is considered exposed or close contact with the positive COVID-19 case. These people will be notified of exposure.
- Cleaning and disinfecting required due to a positive case of COVID-19 in one of our facilities.
- Building/area closure due to significant spread of COVID-19 in our facilities.
