## Health Savings Account (HSA)

If you have a high-deductible health care plan, you are eligible to open an HSA. Educators Credit Union offers a flexible HSA that allows you to easily access your funds with a debit card. Use your HSA to pay your deductible payments or for qualified medical expenses. Unlike a flexible spending plan, you do not need to spend every dollar in the account by the end of the year. In fact, some people try to accumulate dollars to pay health care expenses during their retirement.

HSA's can have up to two debit cards that can be used to pay your qualified medical expenses. See the attached flyer with more details on limits and the great benefits.

To open your HSA, please visit any Educators Credit Union location, including the one listed below:

**10811 W. Park Place, Milwaukee, WI 53224**
