

## 2021-22 Extras and Ala Carte Restriction Form

Students will be allowed to take extras and ala carte items unless we receive this restriction form signed by a parent/guardian.

At the elementary level, the extras that can be purchased are:

- Entrée                                 \$2.10
- Fruit or Vegetable                 \$0.75
- Dessert                                 \$1.00
- Juice Box                               \$0.75
- Milk                                       \$0.40

Both the middle school and high school have more ala carte choices at various prices.

Please fill out this restriction form **only if you do NOT want your student to purchase extras or ala carte items using the family account.** This will block **ALL** ala carte purchases and only complete meals will be able to be purchased with the family account.

If you filled out a restriction form for a previous year, we will honor it until we are contacted to cancel the restriction. If we do not have a signed restriction form on file, we will assume extras and ala carte items may be charged to the family account. **If you would like to inquire if there is an Extras and Ala Carte Restriction form on file for your student(s) or would like to cancel the restriction, please contact the School Nutrition office at 262-250-6462.**
