

STUDENT CHROMEBOOK INFO

2020-2021 GRADES 6-8

USAGE

- <https://www.fallschools.org/students>
 - Use this page to access Schoology, PowerSchool, the Library(LMC) website, and Google Tools
- Some settings on your Chromebooks are controlled by the District. Do not try to circumvent the restrictions in place on the systems and/or browse to any websites that are not appropriate for school.

- **Chromebook Functions**
 - Everything will be saved to your Google Drive.
 - To turn off your computer, hold down the power button.
 - To right click, tap the trackpad with two fingers.
 - To scroll, use two fingers to scroll on the trackpad.
 - Please note that you may notice your Chromebook running more slowly than your home computers - this is normal.
 - Students may print to the LMC copier.

- **CARE/HANDLING**
 - Please remember to charge Chromebook each night. It should make it through at least most of the school day the next day.
 - Please close Chromebook and hold the Chromebook with both hands while walking around.
 - Please make sure Chromebook surfaces are clear before closing.
 - Please shut down the Chromebook daily. Closing the screen does not shut the Chromebook down - you must hold down the power button.
 - Please keep the Chromebook away from food and liquids.
 - Please keep track of your Chromebook and Charger as they are checked out to you.

- **TECHNOLOGY ASSISTANCE**
 - The student-run tech help desk is located in the LMC. You can visit the tech help desk during school hours for Chromebook assistance.
 - Virtual Support
 - Support Line 262-229-1548 Parents/Students can text or call
 - Email: techhelp@sdmfschools.org
